(For the Roundabout.)

"Will You Think of me To-morrow?"

"Will you think of me to-morrow?"
This you whisper o'er and o'er,
Dreaming not it breeds a sorrow
In my breast that's deep and sore.
Could you know, you would not doubt
me.

For my heart is thine alone,
And the ties you've wound about me
Are the sweetest I have known.

"Will you think of me to-morrow?"
Do I think to-night of thee?
Why, then, seek you thus to borrow
From the future's mystery?
If the morn is brightly breaking,
Why the bread of clouds at noon;
For the shadows, if awaking,
Will be o'er all too soon.

"Will you think of me to-morrow?"
Yea, and many days to come,
Though my path be broad or narrow,
Though I'm wandering or at home;
Be it morning, noon, or shadows
Of the mystic even-tide,
In the city, in the meadows,
On the ocean, far or wide—

I will think of thee and love thee,
Though we never more should
meet.

For the very sky above me
And the earth beneath my feet,
Would but whisper, "lonely, lonely,"
When I saw the gleaming light,
And my soul would echo only,
"Where, oh! where, art thou to-
night!"

Resolution on the Death of Dr. W. B. Rodman.

At a meeting of the Physicians of Frankfort the committee on resolutions reported the following resolution which was unanimously adopted and ordered to be printed and a copy sent to the family.

MEMORIAL.

Now that life's portal has closed and death appears upon the horizon, and for Dr. W. B. Rodman all things are voiceless, and to those who knew and loved him there comes the reproachful thought that Heaven has no reviving solace for those stricken ones of his own household and that the tidings of death has gone forth; there is also to-day mourning in the hearts of his brethren of the medical profession, and to those of his professional brethren who enjoyed in his vigor the inspiration of his buoyant spirit and splendid attainments, will gather around his bier, recalling the hallowed recollections of the past. Dr. Rodman was 55 years of age, reared in Frankfort, was graduated from Jefferson Medical College, Philadelphia, while he was scarcely yet of manhood's age, of a brilliant and vivacious nature, clear and analytical mind. Unusually retentive memory, a magnetic manner, he rapidly rose to the front rank in his profession, a position which, by his rare attainments and assiduous attention, he maintained until seventeen years ago when he was stricken with paralysis, which, being on the motor tract, made him helpless physically, but left unimpaired his mental faculties. During all these long and weary years he steadily devoted his otherwise tedious and suffering hours to the pursuit of literature, acquiring a mastery of the German and French languages. He pursued his professional studies in those languages and at the time of his death was probably the most up-to-date physician in the State. French fiction afforded him his recreation from his more solid studies. His proficiency in literature was truly encyclopedic.

His widow, "Virginia Sayre,"

the daughter of the late educator B. B. Sayre, during all these years of weary vigil was his faithful nurse and constant attendant. His immediate family, of one daughter and five sons, seemed to have their greatest pleasure in the ministrations upon their afflicted parent, and each vied with the other in anticipating his comforts and desires. Two brothers, Lieut. Hugh Rodman, of the noted Raleigh, and Dr. John Rodman, of Texas, and two sisters, Mrs. Pattie Wright and Mrs. Nannie Duvall, survive him. Rest in peace poor weary, afflicted body. Those distorted hands—now regained their symmetry and dexterity—can wake the strains of Heavenly music, the echo of which will be felt by many a lonely heart that while here he cheered. Those palsied feet—so long the seat of pain and disfigurement—are walking the golden streets in all their youthful vigor, and that carriage that here—before stricken with disease—was as elastic as the tread of the roe of the mountain—is restored in intensified healthfulness.

May his memory be kept green in the hearts of his brethren, and the remembrance of that kind and affectionate heart and genial and loving presence ever remain a benediction to his bereaved family.

The State Tent of the Knights of the Maccabees met in this city on Monday evening, at the Opera House, where an address of welcome to the city was delivered by Mayor Dehoney, on behalf of the city, and a like address upon the part of the State by Col. Fred H. Roberts, Private Secretary of Gov. Bradley, in the absence of the Governor.

A suitable response was made on behalf of the order by Commander T. H. Lowery, of Pennsylvania.

A musical program was then rendered for the entertainment of the delegates, of whom there were about fifty present.

The full delegations did not arrive until Tuesday morning, when the business session was held at the hall of the order in Odd Fellows' Temple.

Louisville was selected as the place of meeting for next year.

Resignation Accepted.

The resignation of Rev. Dr. W. H. Whitsett, as President of the Southern Baptist Theological Seminary at Louisville, as well as the Professorship of Church History, was accepted by the Board of Trustees by the close vote of 22 yeas to 20 nays.

Rev. Dr. John P. Green, of Missouri, was afterwards unanimously elected to succeed Dr. Whitsett. Dr. Green is a scholarly and big hearted gentleman, and will make a worthy successor to the eminent man who retires.

This is a happy solution to a vexing and troublesome question.

Mr. Albert H. McClure, who has been a sufferer for some time from appendicitis, went to Louisville Monday, and, on Tuesday morning, submitted to an operation, which was successfully performed, and he has since been doing well. Death of Dr. Wm. B. Rodman.

This sad event occurred on Sunday last at 2 o'clock p. m., after a protracted illness.

Dr. Rodman was the oldest child of the late, honored and beloved Dr. Hugh Rodman. He was born in Lagrange, Ky., but came to this city with his parents when a little boy. He grew up here and was a popular and merrily lad, a leader in all athletic and boyish sports. He was about 55 years of age.

He attended the famous classical school of the late Col. B. B. Sayre. After completing his studies in that school, he turned his attention to the study of medicine, graduating from the Philadelphia College of Medicine with high standing in his classes.

Upon taking his diploma he was at once taken into partnership with his father, and from that time until ill health forced him to retire from practice, he had a very large and lucrative clientele. He was considered one of the ablest and most successful physicians in this section of the State.

In his sturdy young manhood he wooed and won the daughter of his old preceptor, Miss Jennie Sayre, and their union has been a blessed and happy one, a large family of five boys and one girl growing up around them.

A man of tremendous energy and herculean frame, Dr. Rodman gave to his profession his entire time and attention, not even taking the necessary rest that nature demanded. In consequence of this, some seven years ago, he was stricken with paralysis of the lower limbs, and was from that time an invalid, and had to retire from active life.

Notwithstanding his misfortunes, he maintained his cheerful and happy disposition to the last. He was a great student, and, during his confinement, he mastered two or three languages, and, keeping up with the discoveries of his beloved profession, he was an able and brilliant contributor to several of the most prominent medical journals of the country.

He was a devoted friend and a kind and loving husband and father, his children being more joyfully companions and friends than otherwise. Better than all else, he was a humble and earnest Christian. His affliction, instead of embittering, seemed to draw out all that was good, noble and gentle in his nature.

Some months or more ago his system seemed to give way all at once, and, though he rallied somewhat, he was not deceived by it. Friday he had a bad relapse and sunk rapidly until the end. He was conscious of his condition, and was ready for the change, remarking to a relative Sunday morning, "I will not be here this afternoon." Calmly and quietly he faced the last enemy and was enabled, by grace divine, to triumph.

The funeral took place on Tuesday morning at 11 o'clock from Ascension Church, services being conducted by Rev. R. L. McCready, after which the remains were placed with his kindred dead in our cemetery.

the performances given here last week by Prof. Hart, the celebrated hypnotist. In the article it intimates that the whole thing is fake and a fraud, and that the community is being swindled.

We would like to give you one instance, out of a number, which occurred right here, that goes to show that the power to do the things claimed certainly exists, it matters not under what name it may be called.

A young man had been suffering with an abscess at the root of a jaw-tooth. It had swollen so much and was so painful that the dentist, who was applied to for relief, found that it was impossible to pull it, even with an anesthetic to assist him.

The young man was taken to Prof. Hart and by him placed under hypnotic power (or whatever you may call it).

The dentist then extracted the tooth; the young man did not even flinch; and the relief was instantaneous and perfect.

So much for that. If hypnotic power can relieve under such circumstances, we care not what it may be styled, it is a power worth investigating.

Prof. Hart and his assistants will be in other towns and cities of our State for some time. We commend them to our editorial brethren as gentlemen, and ask for their only fair treatment, which the Kentuckians always know how to give.

SORE LUNGS

Sore lungs, pain in the chest and painful breathing are quickly relieved and cured by the old reliable specific, Dr. Bull's Cough Syrup. This remarkable remedy breaks up a cold in one night and is, without doubt, the very best medicine for all affections of the throat and lungs. It has cured thousands and will cure you. It never disappoints. Try it at once.

Dr. Bull's Cough Syrup

Will quickly heal Sore Lungs. Does not irritate and is pleasant to take. Doctors recommend it. Price 25 cents. At all druggists.

Visits Us.

Rev. W. C. Taylor, D. D., of Jefferson City, Mo., who had been attending the Southern Baptist Convention, at Louisville, came to this city Tuesday night to visit his old home. He remained until Thursday afternoon and was warmly greeted by his host of friends in this city.

He was present at the prayer-meeting at the First Baptist Church, on Wednesday night, and gave one of his encouraging, tender and loving talks to his former charge. There was a large congregation present, the main auditorium being so comfortably full of delighted people.

After the service he held quite a levee, all present greeting him. Dr. Taylor has a warm place in the hearts of this people.

1,000 Miles Ahead.

Commodore Chapman Coleman Todd, of the U. S. S. Wilmington, has penetrated 1,000 miles beyond the point heretofore known as the head of steam navigation on the Amazon river, and was within 400 miles of the Pacific ocean.

It takes Uncle Sam's boys to lead the way, and, when they have a Frankfort boy at the head of those at the front, you can bet your last nickel that they will do all that is expected of them.

Dr. Bull's COUGH SYRUP

Cures Pleurisy and Pneumonia. The best remedy for lung affections. Small doses. Price 25 cents at druggists.

Nonsensical.

We hope that our City Council will not commit the top-floated blunder of adopting resolution asking the Legislature to repeal the charters of the local banks that had their contract rights upheld by the highest courts of the land.

In the first place, the Legislature will have too much sense to adopt any such idiotic course, and, in the next place, the Legislature knows too well what is the best course to pursue.

It is an exhibition of childish spite that is beneath the dignity of any body of practical business sense, such as we know many of them to be.

Remarkable Rescue.

Mrs. Michael Curran, Plainfield, Ill., makes the statement that she brought out, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle, and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was.—Free trial bottles of this great discovery at J. W. Gayle's drug store. Only 50 cents and \$1, every bottle guaranteed.

Gomez Resigns.

Owing to the childish and corrupt way in which the Cuban officers have behaved over the distribution of the \$3,000,000 advanced by the United States, Gen. Maximo Gomez has resigned the position of adviser and assistant to Major Gen. Brooke. He states that he thinks the officers in question were obstructing the payment in the hope of gaining advantages for themselves through him (Gen. Gomez).

Gen. Brooke has taken the matter fully in hand, given notice of the point where and time when the troops must appear, surrender their arms, be identified by their officers, and receive the \$75 each that our government will pay. There will be no further trifling.

Southern Baptist Convention Closes.

The work of the Southern Baptist Convention, which held its sessions in Louisville, was finished up on Monday night and an adjournment had.

The Convention will be held at Hot Springs, Ark., next year.

A resolution was adopted advising the churches of that denomination not to permit dealers in ardent spirits to remain as members of the church.

Frankfort Banks Win in U. S. Supreme Court.

The long drawn out contest between the Bank of Kentucky, Farmers Bank and Deposit Bank, of this city, over the taxation question was brought to a close on Monday by a decision in the U. S. Supreme Court, at Washington City, in which the contention of these banks that the decision rendered by Judge Pryor in the Court of Appeals of Kentucky, holding that these banks could not be taxed for local and municipal purposes, had made the case res judicata, and could not be reopened by a change of the personnel of the court, was upheld.

The court also holds that the other banks, who were not parties to that suit, do not come within the protection of that decision and are subject to taxation.

The National banks had heretofore been held exempt from a part of the taxes, and this decision reaffirms that doctrine.

This decision is a finality, and the banks interested now know the ground upon which they stand, and can govern themselves accordingly.

R. K. McClure & Son's Great Enterprise.

That our leading merchants are always on the lookout to secure exceptional bargains for their patrons is again illustrated by the fact that R. K. McClure & Son are offering the public a rare opportunity of securing the Encyclopedia Britannica, at a price that is 30 per cent. less than this work, in its present form, was ever offered before. They have a complete outfit on display at their store and we heartily recommend all of our readers to call on them and examine their work, which constitutes a library in itself. It is the latest edition of the Britannica and includes five volumes of the New American Supplement, which is not only of particular interest to Americans, but which also brings the work up to date. We understand that R. K. McClure & Son have been able to secure only a limited number of sets, then anyone interested should investigate at once.

Storm at Bridgeport.

The storm of Friday of last week was a very severe one at Bridgeport. It almost became a cyclone. It blew down trees, unroofed barns and sheds, and a body of water, some ten feet high, came down Little Benson creek, which washed up trees by the roots and tore up Jack generally. A good many people were very much alarmed and some of them sought refuge in their cellars.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made the thing. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she was wonderfully improved and able to do her work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, the ringing and dizzy spots. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by J. W. Gayle, druggist.

LaGrippe is Contagious.

Atmosphere Impregnated With Germs.

Disease Proved Beyond Question to be
Infectious. It is Rapidly Conquering
The Country.

LaGrippe is a contagious disease. Its specific germ has been positively identified, and it is transmitted from person to person either by direct contact or by inhaling the germs while they float in the air. It is a dangerous disease, lowering the vitality and wasting the restive power so that pneumonia, heart disease, nervous prostration and insanity find easy victims. No specific is known that will kill the Grip germ, but it may be driven out and its effects overcome by the prompt use of Dr. Miles' Restorative Nerve.

"LaGrippe left my nervous system so racked and shattered that I could not sleep and for two months was under the influence of narcotics. Physicians and friends gave me up to die; but in two days after I commenced taking Dr. Miles' Restorative Nerve I began to improve, and in a month's time I was entirely cured. It is the greatest health restorer on earth."

Y. M. C. A. NOTES.

Adjutant H. W. Jewell, of the Salvation Army, Kentucky division, who addressed a large and successful gathering of men at the Y. M. C. A. rooms the third Sunday in April, will be in the city to-morrow and speak again at the Men's Rally, 3:30 p. m. Come around and enjoy a short, interesting meeting. All men welcome.

The thirty-third bi-annual International Convention of the Young Men's Christian Association, according to the action taken at the Mobile, Ala., convention in 1897, will be held at Grand Rapids, Mich., May 25-28th. Prominent business and professional men and eminent ministers from all sections of the country will speak on a variety of important themes, thus insuring an unusually attractive program. The local Association will probably be represented by one or more delegates.

On Thursday of this week Messrs. John Labe, of Johnston, S. C., County Secretary; Mr. Robert Weldenall, of Chicago, Ill., International Secretary; and Mr. H. E. Rosevear, of Louisville, State Secretary of the Y. M. C. A., were the guests of the local Association. In the afternoon at 4:30 o'clock, an informal gathering of Directors and Members was held in the local Association parlors, at which time these visiting brethren gave a very interesting account of the movement to extend the work of the Y. M. C. A., on a modified scale, to the large numbers of young men living in the smaller towns and villages, by means of a simple organization and Secretary in each county, which plan has been tried in some States for several years and has proven practicable and very successful. The following resolution was adopted:

Resolved, that we, members of the Board of Directors of the Frankfort Young Men's Christian Association, appreciating the need and importance of special effort in behalf of the young men in the smaller towns and country districts of our State, do hereby express our hearty approval of the plan of county work outlined by Messrs. John Labe, Robert Weldenall and H. E. Rosevear, County, International and State Secretaries respectively, and our purpose to cooperate as far as possible with the State Executive Committee in the inauguration and prosecution of such a work in Kentucky.

Narrow Escape.

On Saturday afternoon, about 5 o'clock, there came near being a serious fire at the residence of Mr. Sam Stone, of East Main street.

It seems that some one had thrown a lighted match, accidentally, into a woodbox. The family had just gone out. Persons passing saw the smoke rolling out of the window and ran to the place. A few buckets of water soon extinguished the blaze.

It was a lucky thing for our friend Stone that the blaze was noticed so quickly.

But slight damage was done.

well and favorably known.

She was a devout Christian and
was ready and only "waiting until
her change came."

The remains were brought to Lex-

Faith Cure.

Some disciples of the "Faith Cure"
arrived in the city on Thursday and
held forth at the corner of Main and
St. Clair streets. There are some
people in our city, like the ancient
Athenians, giving their time and
attention to something new, and
they were ready as usual to take up
the new fad.

Can She
Save Them?

Many a poor
mother who feels
that those she
holds most pre-
cious are gradu-
ally slipping away from her
over the terrible precipice of
disease, would be thankful to
know what Dr. Pierce's won-
derful "Golden Medical Dis-
covery" has done to restore
thousands of weak and wasted
children to complete rounded,
rosy, healthy, activity and life.

"My little girl had a severe attack of fever,"
writes Mrs. Wm. A. Volner, of Concord, Calaveras
Co., N. C., in a letter to Dr. R. W. Pierce, of
Buffalo, N. Y. "I had two physicians for her,
she had a very bad cough, raised a great deal
of phlegm, and was so weak that she could not
feed and she was so thin. I knew what Dr.
Pierce's medicine had done for us before, so I
commenced giving her 'Golden Medical Dis-
covery' and a 'Fetter' occasionally.

"In a few days I noticed the fever was less;
her cough gradually grew better; expectoration
grew less. In a few days she sat up in bed, and
soon she could take a few steps. She kept on
improving slowly and after a week she was
swelling in the feet and ankles went down, and she
kept on step by step until she got well. This
is more than two years ago."

"Last winter, Julia (my oldest daughter) had
Gripes very badly. Her physicians was un-
successful. I was told to be very careful and she would have
perished. She was left with an awful cough.
I gave her 'Golden Medical Discovery' and it
cured her cough. I will be pleased to have my
letter published. If persons wishing to know
more about the great benefits we have
received from using Dr. Pierce's medicine will write,
enclosing stamp, I will send them a copy of my
testimony."

If mothers will only write to Dr. Pierce
concerning the ailments of their family he
will send them sound and valuable advice
in a plain sealed envelope, and without any
charge whatever. His remarkably wide
experience has qualified him to deal with
disease which baffles the local practitioner.

Onion Patch.

Fishing is the chief sport just at
present.

Mr. Slim Hopper is spending a few
days with his sister, Mrs. Flynn.

Dr. Crutcher has a large crop of
strawberries, which will soon be
ready for market. Give him a call.

Mrs. Bettie Williams and Mrs.
Caleb W. Merchant, of Frankfort,
spent a few days last week at Mr.
Forbes'.

Miss Bessie Hancock is on the sick
list this week.

Messrs. Ernest Parent and Black-
burn Hawkins went to Silver Lake
fishing one day this week. Don't
fail to ask them how many they
caught.

Mr. John Dooley is back in our
neighborhood once more. We al-
ways wear a smile for John, where-
ver we go.

Quite a number of our young peo-
ple attended church at Bridgeport
last Sunday. Bro. Wallace is a splen-
did preacher and has a smile for all.

Come again "Tuba Rose," your
news items last week were very in-
teresting. We are very fond of
poetry.

What has become of the King and
Queen, we would like to hear from
them again?

If the reports be true there is going
to be another wedding on our pike
soon, but if it is not, you might now
"tain't" going to be at our house.

Mr. Bob Gordon is the "hog"
punter in the pike. Now, boys, if
you want to have your buggy look-
ing up to date and so nice and shiny
that your best girl can see herself in
it, if she will look, you had better
employ B. B.

Dear Scribe: When I fell down and
broke my crown, Jill came down
and nursed me back to life, so that I
am able to write a few lines, although
my brain was a little twisted. Jill is
going to write a little after I get
done with the pencil, for we haven't
but one now, for I lost all but one
when I got that fall. I would be de-
lighted to have you to come over
and eat onions this summer for if
there is any thing that is sweet to the
tongue and pleasant to the ear it is an
onion. But lettuce tell you, you
oughtn't to eat our onions, for
we have been so long trying to get a
start that we have even raised a Pear
of Corns on our feet. If I find you in
the patch I will beat you. In the face
until you are a Plump, corner, and I
would have to bury you 'neath a
"Lily of the Valley."

"JACK."

Well Scribe, all the Powers in the
world could not beat your news
items last week. We are still snick-
ing over what we read. We certainly
will take good care of our onion
patch and look for Timothy Fur-
bushes or Reels or anything that is
come up and will Berry them as
deep they will never leave the Hart
to come from their Grives, for we
have a new class of Young over
here. Oh, Shallow when some people
get a Whitehouse they think they
are Fly-in, Forsee there is a young
lady over here who is so very Chy
that it gives her a Payne when she
thinks How Long it has been since
she had a sweetheart to Suter, for she
is such a Crier that she will hardly
cross the brooks or go through the
Woods for fear she will see a C. owe
or hear a Cannon. She don't mind
going fishing with one of her parents
for she is a pretty good Fisher. I but
two Nicholas she could for Half Price
have curtains fit for a King to lecture
behind. She would get some Bod-
kins and run a twine through the
Edge of Sheets. I guess no body
will try to Sledge our onions as we've
some one Gurdon the patch nearly
all the time. There are Minnie
Moore stories we could tell you about
our onions, but guess this will do for
the present.

JILL.
JACK & JILL.

The First of the Season.

Uncle Levi Berry, the Cove Hill
market gardener, has again placed us
under obligations to him by bring-
ing us a mess of the first home-grown
peas of the season. This beats the
record, because nearly all our gar-
deners were so late in getting their
ground planted that but few have
peas further advanced than bloom-
ing. Our old friend is one of the
most successful gardeners in our
county, and is, besides, one of our
most reliable colored citizens.

Those needling fresh vegetables
would do well to see Uncle Levi, and
they will always be given good
measure and fresh goods.

Musical Treat.

The young folks of the Church of
the Good Shepherd have had on foot
a grand musical entertainment for
some time, and have been rehearsing
therefor. They have secured the
best of our local musical talent from
all the churches of the city, and those
of no church.

The entertainment will be given at
the Opera House on Tuesday, May
8. It will be under the competent
management of Prof. Wayland Gra-
ham, and that is all that is necessary
to say at that point that is necessary
to give the program in another
place.

If you love sweet music, artistic
music, and to look at the prettiest
girls the sun ever shone upon, go to
the Opera House that night.

Lots of Timber.

Owing to the numerous fires in the
river there have been an unusual
number of logs floated this season.
Insomuch is this the case that more
than 300 rafts have come below lock
No. 8, and are being offered to our
mill men. This is good news for
them, as heretofore the big mills
higher up on the river have bought
up most of the logs reaching them
from above, thus making timber
scarce and high in price here.

Contract Let.

Architect Leo L. Oberwarth, acting
for Mr. H. F. Lutkemeler, let
the contract, on Tuesday last, to Mr.
Choate & Co., to build a two story and
attic brick house on the lot formerly
owned and occupied by Mr. P. C.
Sower, on Holmes street. The house
is to have five rooms on the lower
floor, with a bathroom and wide
veranda. On the second floor there
are to be four rooms. The attic will
be in one room. There will be a
handsome tower. The building is to
be covered with slate, and is to cost
about \$3,000.

Mr. Oberwarth, the hustling young
architect, drew the plans and the
house will present a handsome and
comfortable appearance.

Beware of Ointments to Cure Catarrh that Contain Mer- cury,

as mercury will surely destroy the
sense of smell and completely de-
range the whole system when enter-
ing it through the mucous surfaces.
Such articles should never be used
except on prescriptions from rep-
utable physicians, as the damage they
will do is ten fold to the good you
can possibly derive from them. Hall's
Catarrh Cure, manufactured by F. J.
Cheney & Co., Toledo, O., contains
no mercury, and is taken internally,
acting directly upon the blood and
mucous surfaces of the system. In
buying Hall's Catarrh Cure be sure
you get the genuine. It is taken in-
ternally, and made in Toledo, Ohio,
by F. J. Cheney & Co. Testimonials
